9th Annual AIM TO SERVE

Dear _____,

In a few weeks, Western Oklahoma Christian School (WOCS), is kicking off its 9th annual Aim to Serve fundraiser! The premise of the event is that students contact friends and family to make a donation to the Serve-A-Thon community service project. Cleaning parks, visiting shut-ins, taking treats to fire fighters and police, serving at the local veterans center, and working at a food pantry are a few of the service projects from previous years.

WOCS has a devoted staff committed to providing a Christ-focused, quality academic experience. The funds raised through this event will provide for the school's budgetary needs. This is vital because the school does not receive any state or federal funding.

Would you sponsor me? My family's goal is to raise \$1000 in personal sponsorships through friends and family. We have already made a contribution toward our goal.

To sponsor me, you can make a donation online on my individual web page at wocsaintoserve.com. While at the Aim to Serve website, simply click on the **"Find a Student" button and then click the "Donate" button.**

Or, you may mail a check with completed form below. Your contribution is tax- deductible and will be a valuable investment in the lives of over 170 students at all three WOCS campuses.

Thank you for your consideration and generosity. Any amount will be greatly appreciated. Please call with any questions you might have.

Thank you in advance,

Please complete information in this section and mail with donation to:
