Mrs. Laura Thomas

Hi! My name is Laura Thomas. I consider myself so blessed to be at WOCS! I'm looking forward to a great year! Here's a little about my family and me. I'm looking forward to getting to know yours as well!

My husband Colton and I have two children- Graham and Grace. We live Southeast of Cordell. We attend FBC Cordell. My favorite hymn is In the Garden. I love to cook, golf, and early mornings! Please reach out on GroupMe if you have any questions!

This year we are blessed to have Mr. Peyton Zeller (Mr. Z) as our teacher's assistant. Peyton comes from a long line of teachers, and coaches' soccer as well. Peyton enjoys singing and soccer. His girlfriend Avery teaches at Corn Bible Academy.

DISCIPLINE PLAN

We will utilize a punch card system focused on positive reinforcement. When their card is full they get in the treasure box. I will not contact you on typical pre-k behavior.

We will also utilize a punch card system for Eagle Excellence. When they fill this punch card, they get Isaiah the Eagle to sit on their desk for the day.

WATER BOTTLES/BLANKETS

Every Monday your child will need to bring a water bottle with their name on it and a blanket for nap time. I will send blankets and water bottles home on Fridays to be washed. Please remember to wash them over the weekend and send them back on Monday!

SNACKS

Each student needs to bring his/her own morning and afternoon snack. You may send a week's worth at a time for them to store in their cubbies. Please send a balanced snack! Let's encourage them to try new foods and varieties! If you can send a protein packed snack this will help their bellies stay fuller longer, helping them to be prepared to learn and play! I do have a mini fridge that I can store smaller quantities of items (cheese sticks, small servings of fruits or vegetables).
Healthy suggestions include pretzels, apple sauce pouches, protein bars, cheese sticks, fruits, vegetables, goldfish, graham crackers.

Per Mrs. Miller we cannot provide snacks if they do not have one. I'll let you know when they are running low.

FIELD TRIPS

We will have 4 field trips this year. Parents are always encouraged to attend if possible. You will receive details before each event at least 2 weeks in advance. If you are unable to attend, you will be required to send your child's booster seat with them to school that day. One field trip will be farm based; another will be at Clinton Public Library.

CLASS PARTIES

WOCS has 3 class parties each year:

CHRISTMAS PARTY

GOD'S LOVE PARTY

RESSURECTION PARTY

I will have a sign-up sheet regarding class parties at Meet the Teacher night, and you can choose which party you would like to help with.

***Birthday parties are always exciting for children at school! You are welcome to send a class treat to celebrate their birthday. All birthday parties will be after chapel. Please notify me at least one day in advance. Your child will be recognized during chapel service where we will sing to them, and I will pray over them. If your child has a summer birthday, we will certainly celebrate it at the end of the school year!

Communication

You can contact me anytime via Group-me or through my school email!
lthomas@wocs.org

Do not hesitate to contact me with any questions! I will respond as soon as possible. I do not always see GroupMe messages until after school.

In case of an emergency or early departure, make sure to call the school office.

You will receive a **BLUE** folder from the school on Tuesdays; return it on Wednesdays!

I will send papers home each week in your Blue Tuesday folder!

PARENT/TEACHER CONFERENCES

Parent/Techer conferences will be in October and March. You will be contacted prior to this date with your conference time. At this time, we will discuss your student's progress and expectations and expected skills throughout our school year.

MISSION

Our class mission project will be Harley's House.

Go therefore and make disciples of all nations, baptizing them in[a] the name of the Father and of the Son and of the Holy Spirit- Matthew 28:19

Letters, numbers, and sounds will come in time. It is my hope, however, that these littles learn to come to Jesus and will grow into disciples for Him!
