

2021-2022 FINANCIAL PLAN

Western Oklahoma Christian School is a non-profit organization, and stand as stewards of God. In dependence upon Him, we spend what He provides to educate those who are entrusted to us. The normal way of financing the school is through tuition, which pays the teacher's salaries. The remainder comes through fundraisers, gifts and offerings of interested parents, grandparents, friends, and churches. Our goal is to eventually provide financial aid to worthy but financially unable students.
