FROM MRS. CASTRO

We are back to normal this week! Long weekends are great, but short weeks can be crazy. Continue to practice math facts with your child each night. They are now working on subtraction doubles. I will check for mastery on Fridays and send home the next set. They have been doing a great job with homework! I hope to see you all on Tuesday evening at our annual meeting.

UPCOMING EVENTS

September 9: Annual meeting @ 7PM

September 26: Hamburger Fry

REMINDERS

- Snack stand is every Friday right after chapel. Items are 50 cents and up. Students can eat their treats at lunch or after school. I do not allow candy in the classroom unless it is something provided for the whole class.

LEARNING HIGHLIGHTS

Bible Unit 3 The temptation of Jesus – Memory Verse 1

No temptation has overtaken you except what is common to mankind. And God is faithful; he will not let you be tempted beyond what you can bear. But when you are tempted, he will also provide a way out so that you can endure it" (1 Corinthians 10:13) (NIV). Oral Test on Friday

Spelling

List 4 (re-test Monday): We're re-testing on Monday to check mastery. Please review the list over the weekend. List 5 goes out today – Test on Friday as usual

Phonics:

We will focus on special sounds (br, dr, pr, gr, sn, sl, str, sw) and practice sentence punctuation (declarative vs. interrogative).

Math

We will practice skip-counting by 2s/5s/10s, compare numbers using place value, solve short word problems; read clocks to the hour; and count coins (pennies, nickels, and dimes).

Whatever you do, work heartily, as for the Lord and not for men, ²⁴ knowing that from the Lord you will receive the inheritance as your reward. You are serving the Lord Christ. Colossians 3:23–24
