Dear Parents,

Happy Monday! I pray that your weekend was amazing. The cold front has officially showed up. Please make sure you send a coat/jacket with you child. We will go outside if it is above 32*. We are collecting items for Operation Christmas Child. This is part of our class mission. Please let me know what you plan to send. If you would rather send cash for us to go shopping with that would be awesome as well. I want to thank each of you for praying for our family and providing meals. You all are truly amazing. I pray you have an amazing week!
