Dear Parents,

Eligibility starts over with the new nine weeks, and will not come into play for the first two weeks. With that being said, everyone is able to play until the 28th, and then a new note will be sent out to let you know if your child is eligible. As always, if you have any questions about this, please let me know.

The students are getting assigned our next at home project this week. It will be creating either a plant cell, or an animal cell. They can use any materials they would like, as long as they have all the parts that go along with their choice of cell, and I can tell the difference between the parts. This will be due on October 24th.

Love,
Mrs. Funk

*"⁹And so, from the day we heard, we have not ceased to pray for you, asking that you may be filled with the knowledge of his will in all spiritual wisdom and understanding, ¹⁰so as to walk in a manner worthy of the Lord, fully pleasing to him: bearing fruit in every good work and increasing in the knowledge of God; ¹¹being strengthened with all power, according to his glorious might, for all endurance and patience with joy"
