WOCS Families,

We have another busy week ahead. Please be reading your notes and double checking the school calendars so you know what direction your going 😊

This is Buddy Week. We have a few more spots available for buddies. If you know of someone that would be interested in joining our school family next year, have them call the school office at 580-303-4922 to schedule. Pre-K buddies will need to be picked up by noon, but the older buddies are welcome to stay all day.

Our open house is tomorrow evening at 6:00. Please join us for a fun evening of fellowship with your child's teachers and other school families. The kids would like you to visit their classrooms to view some projects that they have been working on. If you know of anyone that is interested in enrolling at WOCS, this is a good time to invite them to open house with you so they can get a look at the school and meet other school families. The 1:55 book fair will be open in the gym along with a couple bounce houses. Parents will need to supervise their children in the gym with the bounce houses and food because the teachers and staff will be busy with other responsibilities. Hot dogs/chips/water will be provided in the gym but please have the students sit in the bleachers to eat and drink. We want to avoid the kids carrying the food/drinks on the gym floors, bounce houses that are on borrow, and preventing damage to merchandise in the book fair.

Please be in prayer for our sixth-grade class and their families as they are leaving for their Washington, D.C. field trip on Sunday. It will be a great time for fellowship, fun, and learning with families from both campuses.

Blessings,

Megan Thomas
