## April 22nd, 2024

WOCS Families,

It is hard to believe that we have less than 3 more weeks of school left! Please check your school calendar often for upcoming events; which are many. 😊

Our 5th and 6th graders are both off campus this week. Please continue to lift them up in prayer for safe travels as they experience a fun week full of learning and fellowship.

Next week is Teacher Appreciation Week, and oh how we appreciate them! Dora will be taking the staff out for lunch on Wednesday, May 1st. If you would be willing to volunteer to help the students with their lunch and recess while the staff enjoys their special lunch, please contact the office. We will need 4-5 parents to help. The teacher appreciation committee will send out more information soon.

Thursday, May 2nd is our school wide Aim to Serve Community Workday. I'm sure your teachers have communicated what project their classes have adopted. We normally go to the park afterwards for a celebration, but the park was not available on this day. We are planning the celebration for a later date and will send out more information soon. It is still an early release day at 1:30; **NO AFTERCARE AVAILABLE THIS DAY.**

Our Park Day is scheduled for May 8th. We will announce times of everything that day soon.

Students need to start returning library books at this time. They will no longer be able to check books out of the library to take home. Mrs. O'Hara is working on getting everything concluded for the year.

Blessings,

*Megan Thomas*
