What's Going on @ WOCS

This week has been full of exciting learning and great progress. We're proud of our students for their effort and enthusiasm in every activity. Here's a quick look at what is coming up:

Tax Credit and Continuous Enrollment

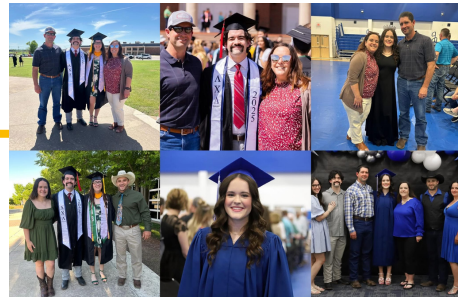

Last year we went to a continuous enrollment model which we will continue for next year. There is a continuous enrollment contract in your folders today. Please read carefully, sign, and return.

Thanksgiving Feast

Each campus has some sort of Thanksgiving Feast next week. Check with your campus office for more details. What a great time of year! Just one more opportunity to thank God for all He has done for us.

Professional Day – No School

There will be NO school on Monday, December 1st due to professional day for the teachers. Enjoy an extra day of break with your family.

Teacher Spotlight

Each week, we celebrate some of our shining stars! This section highlights new and/or returning teachers/staff. This gives you an opportunity to put a face to a name and learn a little bit more about staff from all campuses. Let's cheer them on and be inspired by their example!

Delaney Funk

Delaney is the 6th grade teacher at the Clinton campus. She started teaching in the 3rd grade, then moved to 4th grade for several years, and is now teaching the 6th grade. Delaney is always willing to help out wherever needed.

Kathy Mayfield

Kathy, or Miss Kathy, as the Elk City students like to call her is our secretary at that campus. She can be found at the baseball fields during the summer watching her son play. She has such a servant's heart.
