

WOCS Families,

Students are our top priority during arrival and dismissal. Teachers and/or staff are always present at both times. Please make sure during arrival/dismissal that you enter in from the east and travel towards the west making a wide circle out of the parking lot. Make sure and pull up under the carport to the end of the cement. During arrival in the morning, if needed, a school employee will assist your child in getting out of the car. A school employee will again assist at dismissal. However, if your child uses a car seat, please proceed to the dumpsters on the west side of the parking lot to buckle them. This helps keep a consistent flow in the line if everyone follows suit. If you would like to visit with another parent after picking up or dropping off your child, please go to the west side of the parking lot to reduce congestion and possible accidents. If you want to come into the building or walk your child inside, please park at the gym out of the way of the flow of traffic. Please do not send them alone. School starts at 8:20, so if you arrive later than this, please take your child directly to the gym for chapel. Thank you for your assistance in this matter.

Blessings,

*Dora Miller*
