What we are learning...

Remember to send a daily snack and a water bottle to school!!!

Friday is our first field trip!! We are going to OKC Zoo with 1st grade.

We will meet at the front gate of the zoo at 10:00 a.m.

We will NOT meet at school first.

Be sure to bring sunscreen and comfortable shoes since we will be walking A LOT!

You can bring a lunch and drink to enjoy in picnic areas, eat at the zoo concessions, or take your child out to eat elsewhere in OKC. The zoo is completely cashless. You will have to use a credit card to purchase anything while there. Be sure to let Ms. Chester know when you leave!!!

Just a reminder: there is a splash pad area. It is up to parents if their kids can get wet. I would bring extra clothes/shoes if so.
