Reminders for the week...

Wednesday is our Veteran's Day Program beginning at 8:45 am in the gym.

Classroom Reminders:
Students need a water bottle everyday
We eat a snack each afternoon around 2:00pm
No squishies/dumplings in lockers or in the lower elementary classrooms

During basketball games, Mrs. Butcher has asked that students stay in designated areas. Please do not run or play on the stage, crawl under the bleachers, or run on the court during a basketball game. These areas must remain clear and safe for all spectators. We want to maintain a safe, respectful, and family-friendly environment for players, students, and fans.
