hope we profess, for
He who promised is
faithful.

From Mrs. Womack

Please let me know if I need to transport your student Thursday. You will be responsible to pick them up at Haystack by 12:30.

I wanted to give you plenty of notice that I would like all my students to participate in the Pumpkin Parade on the 31st. They will need to write a short book report to go with their pumpkin character. This will be a grade in my class. It can be over any book.
