Memorize

This Friday is Aim to Serve. We will be delivering Meals on Wheels. We will leave the school at 10:20ish and go pick up meals and get route assignments. We should finish around 11:45/noon. We will go to the park for lunch and dismiss from there at 1:30. Since I was gone last week, there may be some work coming home to make up so I have completed papers for everyone. This is the last week for grades.
