Teacher Notes

On October 31st, WOCS will host its annual "Pumpkin Parade." Students are invited to decorate a pumpkin based on a book they have read, and families are encouraged to help select an appropriate title. September book reports have already been submitted, and the October report is due by November 1st. Books for the report should be between 250 and 300 pages. Please make time to listen to your child read and help monitor their comprehension, as many assignments involve reading and study guides. It is also highly encouraged to practice sentence writing at home. This week's classroom focus is on strengthening attention and reducing distractions to help students succeed.
