Our Aim to Serve project is coming up soon! May 2nd at 10 a.m. at Elk City Nursing Home. I visited there to see the flower beds we will be beautifying. If everyone could send at least \$5 to help cover the cost of the flowers, it would help. If you would like to donate more than that, it would be a blessing. The flower beds were very long. The residents will come out to help us plant the flowers. We will finish at noon. Parents coming to help would be greatly appreciated. That day is early release at 1:30, but you can take your child home from the nursing home if desired.

Announcements:

- We will need some small gardening tools for Aim to Serve and gloves if you have some to share, please let me know!
- Don't forget to work with your student on a talent to share for the talent show. Optional, but it is more fun if more kids participate!
