

FUSION

Dear Friends,

God is doing amazing things in my life. During my freshman year of high school, God set me apart with a unique desire to make His name known among the nations. I have a passion to share the same hope He has given me with others.

With this passion has come an incredible opportunity to be personally trained, discipled, and equipped for missions and ministry. I am serving with the International Mission Board (IMB). Fusion is an intensive ministry training program for young adults. Through Fusion, at Spurgeon College, I will be able to share the hope of the Gospel with unbelievers in an unreached or hard-to-reach place next summer.

I am writing this letter to give you the opportunity to join me on this journey. I would be extremely honored and encouraged if you could partner with me through committing to become a member of a prayer team that I am organizing or by generously partnering with my church family and the IMB to assist with Fusion training and travel expenses. Regardless of your decision, please join my Facebook group "For All To Know" even if you are unable to commit at this time. I will be intentional in using this group as a place to build gospel centered community as well as sharing my Fusion experience with you.

Please feel free to message or call me if you have any questions. You can contact me via Facebook Messenger or text/call 580-303-0544. I have enclosed a prayer card and a support card which details how you can partner with me. Another option is to scan the QR Code to complete an online commitment of support, rather than the enclosed correspondence. The link to Tithely is provided, as well, if you would like to utilize online giving. Your prayerful consideration is appreciated.

Thank you so much!
