

Second Grade News

April 22-26th

We had an amazing time at the Stafford Air and Space Museum. If you haven't been in a while, go check it out. They are continually adding new exhibits. It is very impressive! Your child could probably give you a tour now. 😊

The students have worked hard all year long on their music program. I am so excited to finally get to see it this Friday evening, 6 pm at Life Fellowship!
