

Mrs. Sikes Pre-K Connection September 15, 2026

THIS WEEK

Dear Parents,

I have been sending home letter cards. The cards are for practice at home. Each time we learn a new letter I will send it home with your child so that they can practice their letters at home.

Snack ideas: We are learning the letter T this week – anything that starts with t (Tangerines, Teddy Grahams, Triscuits, Trix Cereal) **These are only ideas – you do not have to provide a specific snack!**

Bible

Our memory verse that is due on Friday. “God’s kindness to us is great.” Psalm 117:2 Please practice with your child at home. Our students have been doing awesome in reciting the memory verses in class

If you have any questions regarding your student or what we study, please don’t hesitate to talk to me. You may also check FACTS regarding the lesson plan for this class.

**Karola Sikes
Pre-K teacher, WOCS –
Weatherford Campus**

***Please contact me through
“GroupMe” if you have any questions.**

Phonics: For the first time we are introducing blended letters. A vowel and consonant. The students are going to be on a little imaginary train and will be traveling around the room as a “blended letter”.

Handwriting: We have been working on learning the “lingo” of our handwriting work. Please reinforce the “upstairs”, downstairs”, and “basement” terms when you look over the work brought home or if your child is writing at home.

Numbers: This week we will count to 20. We are putting numbers in order as well as learning to trace number one and two as well as sorting different objects.

Language Development: Olives, Octopus, Table Manners, Telephone, Transportation

Character Development: Obeying and disobeying
