

Mrs. Sikes Pre-K Connection
September 08, 2025

Dear Parents,

We have a busy week ahead of us with learning. It is so wonderful to see growth in each one of my students after these first few weeks.

Bible

Our memory verse is, Jesus said; "Love one another." John 15:12. The students will recite the verse on Friday. To involve your child more with the bible lesson, please read the bible note.

This week I will be sending home a "Show and Tell List for the year. Each student will have the chance to bring something for Show and Tell twice during the year.

Specials for this week:

Monday, Wednesday, and Friday at 1:30 pm the students have P. E. **Remember to send your student in tennis shoes on those days.**

Tuesday & Thursday – Music (2:00 pm)

Friday – Art (2:30 pm)

Karola Sikes

Pre-K teacher, WOCS

Weatherford Campus

THIS WEEK

Phonics: This week the students will learn the last vowel o and we will be working on recognizing each letter.

Handwriting: review a, e, i, u, o

Numbers: We are going to start tracing numbers this week. The first number we trace is the number one. In the next couple of weeks, I will test each child and see how far they can count, if they can recognize numbers 1-5 and if they know their shapes (Circle, triangle, and square).

Language Development: Astronaut, Africa, Ostrich, and Dogs

Character Development: Obeying Quickly

IMPORTANT DATES

Every Wednesday we take an offering during Chapel time.

Every Friday – Snack Day

September 26 – Hamburger Fry

September 30 – Picture Day
