

Mrs. Sikes Pre-K Connection  
March 02, 2026

Dear Parents,

**Food for thought:** “Consistent routines help... early education students anticipate what will happen next, and this ability to predict the upcoming situation helps them learn appropriate behaviors for it. The result is also that the children gain a sense of confidence in their abilities and a sense of control over their environment.” Dr. Stacia Emerson

**Reading Groups:** Each student will be in a reading group, I will review letters in small groups, start learning blends, 3-letter words and work with the students on their level.

**Bible: Our memory verse is:** “I love the Lord, because he hears my voice.” Psalm 116:1 Please practice this verse with your child at home. The students will be reciting this verse on Thursday.

If you have any questions or concerns, please feel free to talk to me.

Karola Sikes, Pre-K Teacher,  
WOCS – Weatherford Campus

Learning Objectives:

**Phonics:** We are reviewing letters, learning blends and continue with reading circles.

**Handwriting:** We continue tracing letters, blends and focus on writing individual letters.

**Numbers:** We will count to 70 and work on number concepts 1-16.

**Language Development:** Animals at the pond and Animals in the sea.

**Health and Safety:** Dress warm in cold weather, wear a raincoat when it rains.
